Dr. Gilbert Bilezikian

Dear Dr. Bilezikian,

As you know, in August 2018 Wheaton College opened an inquiry following allegations made by an anonymous blogger regarding misconduct related to your behavior toward a student during your employment at the College. Separate allegations were also raised by an individual in November 2018.

Over the past year, the College has taken a number of investigative steps including inviting you to respond to the allegations. However, at this time, the College is closing this inquiry. We did not find sufficient evidence to conclude that any misconduct occurred. Given this conclusion, with the support of Provost Diddams, we have reinstated your faculty profile page on Wheaton.edu.

Thank you for your cooperation and patience throughout the past year as we've conducted this inquiry. We take allegations of this nature very seriously and are committed to thoroughly addressing any concerns that arise.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Karen Tucker
Director of Human Resources
