Hi Kenny,

I'm working on an article concerning recent events at BBC. I would like to speak with you about those. Specifically, it's my understanding that you called for an internal investigation into allegations concerning Andy Naselli at a March 11 meeting with Downtown elder. However, you later voted to dismiss the allegation without an investigation. Would you be willing to explain that apparent about-face to me?

Thanks,
Julie Roy

Would you please make sure that Kenny knows about this email promptly? I will likely be publishing before August 9.

Thank ,
Julie
