

***** CONFIDENTIAL *****

The following is my Affidavit for the elders of Grace Brethren Church as to the events leading up to and including my intervention with Mr. Paul Guay and Rev. John MacArthur.

Summer 1979:

We, my wife and I were made aware that Paul Guay was making sexual contact with his daughter, Wendy at their home. At that time I personally contacted Paul and asked him about these specific charges of sexual misconduct against his daughter. Mr. Guay's response was complete admission of the sexual acts. Paul asked (I drove) that we drive to Grace Community Church to talk with Rev. John MacArthur (Paul was on staff of Grace Community Church). At that time, Paul, myself (John Tucker), and MacArthur met in Rev. MacArthur's office at Grace Community Church. I explained why I was there and explained the charges I had brought against Paul to Rev. MacArthur. Paul agreed to my charges and confessed to MacArthur of repeated sexual acts involving Wendy at nighttime during normal sleeping hours. By mutual agreement between Rev. MacArthur and myself it was decided that Rev. John MacArthur would assume the Biblical responsibility for counseling, discipline, etc. At that point in time I felt that God had transferred my Biblical responsibility from my shoulders to Rev. John MacArthur and the elders of Grace Community Church. By admitting his sexual sins and crying before God, MacArthur and myself, I assumed that Paul recognized his sexual sins and wanted to do something about it - I was wrong, so wrong. I live with that mistake today.

Dear elders of Grace Brethren Church, I know what you face, but a tremendous amount of prayer has gone before you on your behalf. Your responsibility is large as is the responsibility of a Godly church leader. It's a tough decision that you face. God will bless you for your faithfulness. Please call me if I can be of any further assistance.

If this subject needs further discussion please do not hesitate to contact me.
