Re: Churchome Sexual Assault Intervention & Prevention Policy

Dear Pastor Judah Smith:

We write on behalf of [REDACTED] who requests an opportunity to sit down and meet with you.

The purpose of the meeting is to to discuss [REDACTED] experiences of the policy on reporting and investigating alleged sexual assault at Churchome College.

[REDACTED] attended Churchhome College between 2016 and 2019. After reporting information about sexual assault to administrators at Churchome College, [REDACTED] was asked to leave the program on March 27th, 2019. This occurred roughly six weeks before she expected to graduate. She did not receive her expected certificate of graduation or other recognition of her achievements within the program.

Based on [REDACTED] observations made during and after her time at Churchome College, she believes that the risk of trauma from sexual assault at Churchome College was and remains needlessly high. [REDACTED] also believes that asking her to leave Churchome College after she reported concerns about sexual assault will likely inhibit future reporting at Churchome College.

[REDACTED] wishes to meet with you because you were her personal inspiration for attending this particular faith-based program and because she lacks confidence in the current leadership of the college program.

Her hope is that, through personal, open and honest communication with you, a channel of communication may open toward a more suitable conclusion to her time at Churchome and a more protective sexual assault policy.

Our offices are here to assist with this process at [REDACTED] direction. You or your representative may please contact us directly to discuss scheduling. [REDACTED] requests the courtesy of a response within 30 calendar days.

Thank you for your kind attention to this request.

Sincerely,

Sexual Violence Legal Services
