I appreciate your kind tone and I trust you and see your sincere desire to see goodness

I want the Lord to be pleased in how we all go forward. If me, you, or [REDACTED] miss Him on this it would be one of the worst decisions of our life - Yes, I include "me" in this statement —"I have to see what He sees and only say what He says" in this

I have confidence that He will help because we all love Him and others and because so much is at stake we

I am praying fervently for you and your family

Please pray for me I am in the worse pain of my life right now - except for the day my brother was paralyzed 50 years ago

Blessings,
Mike

That sounds strange to me ?????
I need to meet with you alone it's important to me. I
wanna share things that I don't want any other
person to be a part of and I think you'll fully agree
with me after we talk and you'll be encouraged.
So go ahead and meet with Dwayne and I'll meet
with you maybe tomorrow or the next day

Can we meet alone because I have a
couple things to share that I want to
be private
And because I trust you and I want
your input on them

Mike
