**WAIVERS AND ADMONISHMENTS**

**Waiver of Jury.** COMES now the defendant, in person and in open Court, and joined by counsel for defendant, and by counsel for the State, and waives the right of trial by jury in accordance with Art. 1.1 3 C.C.P.

  
Assistant District Attorney

  
Defendant

  
Counsel for Defendant

**Waiver of Confrontation of Witnesses and Stipulation of Evidence.** In accordance with Art. 1.15 C.C.P., the Defendant now consents in writing, in open Court, to waive the appearance, confrontation, and cross-examination of witnesses, and further consents either to an oral stipulation of the evidence and testimony or the introduction of testimony by affidavits, written statements of witnesses and any other documentary evidence in support of the judgment of the Court. I hereby request the Court to approve this waiver in writing.

**Waiver of Indictment.** The Defendant, in writing and in open Court, and joined by counsel for defendant, hereby waives in open Court prosecution by indictment and consents that the proceeding may be by information instead of by indictment.

**Waiver of Ten Days Preparation and Approval of Counsel.** The Defendant, in writing and in open Court, and joined by counsel for defendant, waives the ten day preparation period provided in Art. 1.051, C.C.P. The Defendant in addition confirms total satisfaction with the representation given by appointed counsel and that counsel was completely competent in every aspect of representation.

**Waiver of Two Days Service of Indictment.** The Defendant, in writing and in open Court, and joined by counsel for defendant, waives the two day statutory period time set out in Article 26.03, providing that no

arraignment shall take place until the expiration of at least two days after the service of the copy of the indictment.

**Plea Bargains.** If no plea bargain exists, the recommendation of the prosecuting attorney as to punishment is not binding on the Court. If a plea bargain does exist, the Court will inform you whether it will follow the agreement in open court and before any finding on your plea. Should the Court reject the agreement, you will be entitled to withdraw your plea.

**Deferred Adjudication.** If the Court defers adjudicating your guilt and places you on community supervision, then upon any violation of any imposed condition, you may be arrested and detained as provided by the law. You will then be entitled to a hearing limited to the determination by the court of whether to proceed with an adjudication of guilt on the original charge. An appeal may be taken from this determination. After adjudication of guilt, all proceedings, including assessment of punishment, pronouncement of sentence, granting of community supervision, and your right to appeal, continue as if adjudication of guilt had not been deferred.

**Sex Offender Registration Program:** If you are convicted of or placed on deferred adjudication for an offense for which a person is subject to registration under Chapter 62 (Sex Offender Registration Program) of the Texas Code of Criminal Procedure, you will be required to meet the registration requirements of Chapter 62 (Sex Offender Registration Program) of the Texas Code of Criminal Procedure.

**Effect on citizenship status.** If the defendant is not a citizen of the United States of America, a plea of guilty or nolo contendere (no contest) for the offense charged may result in deportation, the exclusion from admission to this country, or the denial of naturalization under federal law.

**Nondisclosure for certain offenses.** If you are granted deferred adjudication community supervision you may have the right to petition the court for an order of nondisclosure under Section 411.081, Government Code, upon expiration of the community supervision period imposed if the judge has not proceeded to adjudication of guilt. However, you may be ineligible to pursue that right because of the nature of the offense for which you are placed on deferred adjudication community supervision or because of your criminal history.

**C.C.P. Article 42A.301 Waiver.** Defendant waives a record of the inquiry required by art. 42.15(a-1), Texas Code of Criminal Procedure.

**C.C.P. Article 42A.301 Admonishment.** You are entering into a plea agreement in the above styled and numbered case. As part of that plea agreement you are requesting that you be placed on community supervision. Accordingly, you acknowledge and agree to follow all terms and conditions of community supervision imposed by this Court. You hereby acknowledge and agree that, pursuant to Article 42A.301 of the Texas Code of Criminal Procedure, a risk and needs assessment will be conducted with respect to you for purposes of determining the conditions of community supervision. Today you are agreeing to certain standard conditions and negotiated conditions of community supervision which are hereby imposed prior to the risk and needs assessment having been conducted. Additionally, you agree that a risk and needs assessment will be conducted within 30 days of the Court's acceptance of your plea of guilty. You agree that based upon the results of the risk and needs assessment, the Court may remove conditions already imposed or order additional conditions, in accordance with C.C.P. Article 42A.301 through 42A.654.

I have fully reviewed, understand, and agree to the above which is hereby incorporated as part of my plea agreement.

  
 Defendant

  
 Counsel for Defendant

**Defendant's Statement on Admonishments.** Comes now the defendant, joined by my counsel, and state that I understand the foregoing admonishments from the Court and am aware of the consequences of my plea. I am now mentally competent to stand trial and I was sane at the time of the commission of the offense to which I have plead. No one has threatened me in any way or placed me under any kind of fear in order to cause me to enter a plea to the charge herein and my plea is freely, knowingly, and voluntarily entered. No one has promised me anything, including probation, a pardon, or early parole in order to cause me to enter a plea to the charge herein.

I state I understand that if I have been provided a court-appointed attorney at my request I will be required to reimburse Randall County for the cost of my court-appointed attorney as a term and condition of my deferred adjudication or straight adult probation whether my probation is the result of a plea bargain agreement with the State or, in the absence of such an agreement, the Court's decision to place me on deferred adjudication or straight adult probation after I have entered a plea of guilty. I further state to the Court that either (1) I presently have sufficient resources to pay all of the court-appointed attorney's fees, or (2) I will have the ability to pay them at a later date and/or at designated intervals to be determined by the Court or by its designee. I understand that my failure to inform the Court to the contrary at this time shall result in my inability to complain about the imposition of court-appointed attorney's fees on appeal, either when initially placed on deferred adjudication or straight adult probation or at a later time if my deferred adjudication is revoked and my guilt is adjudicated or my adult probation is revoked.

  
Defendant

**Statement by Counsel for Defendant.** The undersigned counsel, attorney of record for the above defendant, hereby states to the Court the following: "I have counseled and advised with said defendant and it is my opinion that said defendant is mentally competent to stand trial and is able to and does understand the nature and consequences of these proceedings. I further state to the Court that if Chapter 62 (Sex Offender Registration Program) of the Texas Code of Criminal Procedure is applicable to the above defendant and these proceedings, I have advised the above defendant regarding the registration requirements under Chapter 62 (Sex Offender Registration Program) of the Texas Code of Criminal Procedure." I also state to the Court that if my client is not a citizen of the United States, I have advised him/her regarding the potential ramifications of this plea on his/her immigration status.
