Subject: Re: Media inquiry - Allegations against former Orange employee

Josh,

Thank you for reaching out. As always, please quote my statements in full and do not summarize them.

For Context:

To clarify, Darren Kizer has never been employed by Amazing Life and he was not on staff at The ReThink Group when Amazing Life acquired the assets of Orange in January 2025. We suggest directing any inquiries regarding his former employment to Joel Manby, the Chairman of the Board of The reThink Group.

Our Response to Your Question:

At Amazing Life, we are committed to maintaining a workplace that is safe, respectful, and free from any form of harassment or abuse. Our policy is clear: we do not tolerate inappropriate behavior from any employee, including managers or executives. Any violation is taken seriously and will result in disciplinary action, up to and including termination. For any of our team members, including those who previously worked for the reThink Group leadership, we are committed to providing a workplace that is free of discrimination, abuse or harassment so that everyone can work in a productive, respectful, and professional environment.

If you have additional questions specific to Amazing Life, we are happy to respond accordingly.

Sincerely,

Ryan Moore
