6	Q. O	kay.
7	A. I	t's because of involvement with religious

9	Q. O	kay. You do understand the concept of
10	perjury and	being under oath today.
11	A. Y	es.
12	Q. O	kay. I'm going to ask a series of
13	questions t	oday, and, ideally, you'll provide
14	answers. S	ometimes it may become that you
15	anticipate	my question. There's nothing magical
16	about them.	I'm very sure you'll know where I'm
17	going with	a particular question.
18	A. M	m-hmm.
19	Q. B	ut for the benefit of making a clean

24	I think you	have finished an answer, but you

haven't, just tell me or motion so that I can --

2	Q. When	re are we today?
3	A. Loui	isville, Kentucky, Carver Building, the
4	Southern Bapti	ist Theological Seminary.
5	Q. Okay	7.
6	A. Yeah	ı.
7	Q. And	is we're in a conference room. Are
8	your offices i	in this building?
9	A. No.	They're in a building across the way.
10	Q. Okay	y. But we're on the campus of
11	seminary.	
12	A. We'ı	re on the campus. Yeah.
13	Q. And	what's your current position?
14	A. I an	n president.
15	Q. Desc	cribe for me in lay terms your day-to-
16	day responsibi	ilities as president.
17	A. I an	n president, chief executive officer,
18	and chief acad	demic officer of the institution. I
19	service chairm	nan and the faculty. So it's I
20	guess the equi	ivalent in a corporation, a CEO.
21	Q. Is t	chere anyone over you?
22	A. Not	anyone as an administrator. There is
23	a board of tru	istees, a governing board.
24	Q. Okay	y. Who are the members of that board
25	currently?	

1	Q. Have you ever undertaken any efforts to
2	distinguish fact from fiction?
3	A. Well, certainly, in that conversation.
4	Q. What conversation?
5	A. The conversation in my office. Are you
6	thinking subsequent to that or
7	Q. At any time.
8	A. Well, that, certainly, was a major reason
9	why the meeting was held.
10	Q. Why?
11	A. An allegation had been made. We had to
12	have a conversation in order to determine the
13	validity of the allegation.
14	Q. Who was present for that conversation?
15	A. As I recall, it was Dr. Adam Greenway,
16	Dean of the School of the Billy Graham School;
17	Dr. Randy Stinson, who was provost; Mr. Craig
18	Parker, who was Senior Vice-President.
19	By the way, Mr Dr. Stinson is also a
20	Senior Vice-President. Craig Parker, Senior Vice-
21	President for Institutional Administration. I was
22	present and Dr. Sills was present.
23	Q. Where is Adam Greenway now?
24	A. To the best of my knowledge, he resides in

Florida.

1 Well, as soon as was practicable. I don't 2. remember timing. I remember, certainly, the phone 3 call, and then that invokes a process already established. So that was not something that we had 4 5 to reinvent. It was a process that existed, and so we sought to invoke that as quickly as possible. 6 7 That would involve conversations, certainly, with the provost, Dr. Stinson. Dr. 8 9 Greenway, as Dean, was present. I probably also 10 contacted, I would think pretty soon, Jon Austin, 11 and I certainly made contact with board officers, 12. just with the board as a totality, but with the 13 board officers. Is it a 14 You say a process existed. 15 process that's written down anywhere? 16 Α. There are basically two processes; one is 17 Before you go there, just answer my 18 Q. Wait. 19 question. And what's the second process you're referring to? 8 That is a process that leads to a 9 10 resignation by the employee, not invoking that formal process which includes hearings with the 11 board of trustees. 12. 13 Which process was invoked? Q. 14 The conversation made very clear that the first process is where we would begin and -- but the 15 16 employee has the option of the other process. 17 Prior to making your call to Defendant **Q**. I have a transcript of the call. She refers to 9 10 herself as a girl. Certainly, she was a woman at 11 that time, yes? 12. MR. LEET: Objection to the form. 13 BY MS. MCNULTY: 14 Q. Go ahead. 15 Α. - Q. So what I'm asking you is, in that call or any other subsequent conversation, did she ever describe for you an instance in which David Sills was violent? I'm talking specific facts about when he was violent with her.
- A. I do not -- I don't want to assume I know what the word violent means here, if it's a distinction between certain acts and certain other acts. She made clear to me that there were acts against her will.
 - Q. What were the acts?
 - A. Sexual acts.
 - Q. What were they?
- A. I have been completely consistent in my life in seeking to know what I need to know and not wanting to know beyond what I need to know. In this situation, I needed to know if there was sexual contact. She made very clear there was sexual contact.

And in response, the second sentence, in 3 Q. pertinent part, says, Dr. Mohler did not conduct any 4 5 investigation of the allegations made by Lyell in 2018, other than hearing Lyell's initial report and 6 7 meeting with Dr. Sills as referenced above. Do you see that? 8 9 I do. Α. 10 That is still accurate as you sit here Q. 11 today. That is accurate. 12. Α. 13 Do you think that contradicts your 0. 14 statement made in your call with Jennifer Lyell, in 15 which you said I know what I have to do? 16 Α. I think what she presented in 17 allegations was the basis for me knowing what I had 18 to do. 19 And -- and the implication of you saying, 20 I know what I have to do. 21 Α. Yes.
- Q. I've consulted with others. I know what I
 have to do. Really what you were saying is, I have
 to meet with David Sills.
 - A. Yes. I assume you're referring to the

2	right?
3	A. That had to be told to me. I asked the
4	dean. The dean knew he was out of the country.
5	Q. Okay. What was your plan then?
6	A. To talk to him when he got back into the
7	country.
8	Q. Okay. So it was fine for him to return
9	from his his trip and you could wait to talk to
10	him when he returned to campus.
11	A. As I recall, it was well across the world
12	in the Pacific. I mean, I didn't see anything that
13	would have sped the process up.
14	Q. Okay. There was nothing that caused you
15	to think he had to come back right away.
16	A. I was told he was coming back within the
17	next couple of days or something. Yes.
18	Q. There was nothing that you needed to
19	accelerate in that regard, correct?
20	A. We did not talk about accelerating it.
21	I'm not sure how accelerated it could have been from
22	that point.

We did not discuss it.

Whether it could or couldn't have been --

2	Did you phone him or did you ask him to
3	phone you?
4	A. Yeah. The dean in our system, the dean
5	would have those communications.
6	Q. Who was the dean?
7	A. Adam Greenway.
8	Q. So Greenway contacted Sills and said what?
9	A. He would have said, to the best of my
10	knowledge, that we needed that we needed to have
11	a meeting.
12	Q. Okay. Was there any disclosure as to what
13	the meeting was about?
14	A. I do not believe so.
15	Q. Okay. Why not?
16	A. Because normally we would not.
17	Q. In the call with Lyell, you said you
18	wanted to ambush him; isn't that right?
19	A. That's typically, we do not let anyone
20	know that we're going to have that conversation and
21	it is a surprise in the context of the meeting.
22	Q. Mm-hmm. And why is there need to ambush,
23	as you say?
24	A. It is, at least my experience, that people
25	are more forthcoming in a conversation in which

13
         Α.
              I think I'm ready.
14
              Okay. In the first paragraph about midway
15
    down it says, "then not only do I doubt I will be
    able to continue to live, but I can assure you that
16
17
    the narrative now established by your silence will
18
    continue to be used to dismantle any progress on
19
    abuse issues in the SBC." Do you see that?
2.0
              I do see it.
         Α.
21
              Yeah. How many times over the course of
         Q.
22
    the years has Jennifer Lyell threatened to take her
23
    life?

Α.

Implied or explicit. 1 Α. 2 Q. Yeah. Mm-hmm. I read this as a threat; 3 do you? I read it with grave concern. 4 Α. 5 She then goes on in the next paragraph to say, "Adam, it would have been safe and convenient 6 7 for me to be silent when you needed my witness on the record to your full trustee board. As you 8 9 recall, I didn't hesitate to tell the truth so the 10 seminary trustees would proceed with you." Do you 11 see that? T do. 12. Α. 13 Was Adam not going to make it onto the **Q**. 14 trustees without the testimony of Jennifer Lyell? 15 Α. That is not knowledge to which I was 16 privy. 17 Okay. You go on to say -- state, Q. "Jennifer (I hope), we have steadfastly and 18 19 consistently affirmed that we found you to have 20 experienced sexual abuse by David Sills and that your accusations were confirmed." Do you see that? 21 2.2. Α. I see it. 23 How were the accusations confirmed; in Q. 24 what way?

By Dr. Sills saying there had been

```
inappropriate sexual contact.
 1
 2
              Okay. All right. You can set that aside.
         Q.
    In your production, yours and seminary's, I do not
    see corresponding text messages between you and
 4
 5
    Jennifer Lyell. Tell me, do you have text messages
   between you and Jennifer Lyell?
 6
 7
         Α.
              I know of nothing that could be existing
    that was not produced. I mean, you just read a
 8
 9
    couple.
10
              Yeah. Do you keep them?
         Q.
11
              Do you delete them?
12
              Do you do nothing?
13
         Α.
              I do not delete. And to be honest, I'm
14
    not comfortable texting with a woman not my wife,
15
    and she is privy to it all.
16
              Yeah.
         Ο.
17
         Α.
              Yeah.
18
              Your wife is privy to it, meaning.
         Q.
19
              I made certain of it.
         Α.

17	A. I strongly believe I had no such

19	Q. Okay. You can set that aside. Okay.
20	With relation to David Sills, did you personally or

23	A. I do not remember any request or provision
